Maui May 2016 Statistics

Aloha all!

Brief Maui Statistics Overview:

Page 4 - May's Sales Unit Volume – Residential sales declined to 93 homes sold while Condominium sales declined to 118 units sold. Land sales increased to 14 lots sold in May.

Page 5 - May's Median SALES prices –The Residential median price decreased to \$620,000 while the Condo median price decreased to \$423,500. Land median price increased to \$378,500.

Page 6 - Days on Market, Residential homes = 120, Condos = 119 DOM, Land = 121 DOM.

(General DOM Note: this is the average DOM for the properties that SOLD. If predominantly OLD inventory sells, it will move this indicator upward, and vice versa. RAM's Days on Market are calculated from List Date to Closing Date [not contract date], including approximately 60 days of escrow time.)

Pages 10 - 14 – This month's "Year to Date Sales" numbers compare only five months, January-May 2016 to January-May 2015. Shorter timeframe (monthly) views do not necessarily reflect the longer timeframe trends.

For a more comprehensive view, see 2015's Year-End (Dec. 2015) figures available at:

<http://www.ramaui.com/UserFiles/File/Stats/All-December2015.pdf>

YTD - Residential unit sales increased (434 homes sold / +38 units / +10% change YTD), average sold price = \$889,278 (-10% change YTD), median price = \$619,500 (+4% change YTD) and total dollar volume sold = \$385,946,502 (-1%YTD). [Note: Drop in this year's Wailea/Makena Residential YTD Total Dollar Volume caused by a record high sale last April, 2015.]

YTD - Condo unit sales increased (535 units sold / +19 units sold/ +4% change YTD), average sold price = \$644,634 (-6% change YTD), median price = \$429,000 (-3%YTD). Total Condo dollar volume sold = \$344,879,418 (-3% change YTD).

YTD - Land – NOTE: Land Lot sales are such a small sampling that statistics in this property class are not necessarily reliable indicators. The number of Land lot sales increased slightly (68 lots / +3 unit change / +5% YTD change), average sold price = \$578,569 (+1%), median price = \$464,500 (-12% change), Total dollar volume = \$39,342,661 (+6% YTD).

Total sales for immediate past 12 months: Residential = 1,129 (with 11% being REO or Short Sale), Condo = 1,218 (5.5% REO or SS), Land = 157 (4.5% REO or SS).

NOTE: 36.1% of these Sales in the last 12 months have been CASH transactions.

As of June 3, 2016 - Active/Pending-Continue to Show/Contingent status inventory:

	June '16	May	April	Mar.	Feb.	Jan.	Dec.'15	Nov.	Oct.	Sept.	Aug.	July	June '15
Homes	697	728	735	761	747	695	683	651	633	666	652	677	697
Condos	993	1,053	1,102	1,100	1,062	951	926	834	860	918	934	940	987
Land	402	390	383	373	377	370	393	379	381	380	362	371	366

Current Absorption Rate base on this month's Active/Pending-Continue to Show/Contingent status inventory divided by May Sales: Residential = 7.5 months, Condo = 8.4 months, Land = 28.7 months of inventory.

For Absorption Rate enthusiasts who calculate only pure "Active," (not any pending/contingent) divided by May Sales: Residential 520 "Active"/93 Sold = 5.6 months. Condo 808 / 118 Sold = 6.8 mos. Land 376 / 14 Sold = 26.9 months of inventory.

IN A NUT SHELL..... Monthly Residential and Condo Sales numbers decreased slightly and Land Sales increased. Canadian investors have been big participants in Maui's real estate market in years past, however the current Canadian Dollar exchange rate (.77 US \$) may motivate Canadian investors to sell, rather than buy OR sell and reinvest in other Maui properties.

Increased showings and sales, multiple offers on "well priced" listings, hesitant buyers may become onlookers..... Window of opportunity is quickly closing for first-time homebuyers (see below).

"CASH is King!" when making an offer. For several months approximately 36% of all sales were CASH. Well priced properties are attracting multiple offers making for a quick sale. REO (Foreclosures) and Short Sales are dwindling, with any "hidden inventory" (or overhang) backlog slowly trickling onto the market. Mortgage Interest Rates are inching up slightly which may help motivate would-be Buyers to go ahead and buy IF they can qualify. **Savvy Investors are buying with Cash, giving them a strong negotiating position, no financing/appraisal hassles and a quick closing.** While general U.S. economic news looks cautiously hopeful, current World and US events and election will have ripple effects on cost of living, consumer confidence, Financial and Real Estate Markets.

Rising Sales prices cause some "Owners" to become "Sellers," putting their homes on the market.

FOR SELLERS: Sharpen your pencil, talk to your CPA and your Realtor® to explore the hidden benefits or consequences. Make no assumptions that will sting later.

To be successful, Sellers need to beat competing properties with better property condition, realistic pricing, good marketing, and flexible, creative terms. Days on Market figures show that properties priced right will sell in a reasonable timeframe, often with multiple offers. "Priced Right" is still the determining factor.

BEST Deals are selling, while significantly over-priced listings remain un-sold.

Pro-Active Sellers are getting their properties **appraised, inspected and surveyed** in advance to encourage realistic offers from knowledgeable Buyers. This can prevent unanticipated escrow fallout or Buyers whittling your price down during the transaction when previously unknown facts come to light.

FOR BUYERS: Low interest rates prevail; however have started to nudge up. Buyers should get **Pre-Approved** so they can shop in confidence (fewer last minute disappointments due to non-funding loans). "Short-sales" and foreclosures are still in the marketplace, yet they can be less of a bargain than they seem, requiring more hurdles to leap and more time (often 4-6-12 months) to close, if at all.

Be prepared, but BE REALISTIC. Lenders are more stringent on requirements now for loan approval, compared to 2004-2008.

First-Time Home Buyers – Many programs are available..... Attend a First-Time Home Buyers workshop, get familiar with the process, get qualified/approved, do your homework to get your own home. Many current owners **never thought they would be able to own** until they attended a workshop, discovered they could own a home, and are glad they did.

The low point in the market has passed, so check it out carefully NOW, don't delay. The opportunity is fading quickly. If you can't buy now, start saving your down payment for the next market cycle.

Disclaimer: Zooming in on the figures of a specific geographic area or property type may lead to different conclusions that looking at the overall view.

Maui's market place is much smaller than Oahu's, and a few high or low sales have a greater effect on the statistical numbers without necessarily indicating a big market swing one way or another.

If you have any questions regarding hard numbers, call Terry at 808-270-4602.

Mahalo,
Terry Tolman
RAM Chief Staff Executive
