April 4, 2014  
 Aloha all!

**Maui March 2014 Statistics - REVISED**

**Brief Maui Statistics Overview:**

**Page 4 - March's Sales Unit Volume** – Residential sales rose to 69 homes sold while Condominium sales increased substantially to 127 units sold. Land sales came in at 16 lots sold.

**Page 5 - March's Median SALES prices** –The Residential and Condo median prices increased to \$596,000 and \$420,000 respectively. Land median price came in at \$536,375.

**Page 6 - Days on Market, Residential homes = 143, Condos = 124 DOM, Land = 320 DOM.**  
 (General DOM Note: this is the average DOM for the properties that SOLD. If predominantly OLD inventory sells, it will move this indicator upward, and vice versa. RAM's Days on Market are calculated from List Date to Closing Date [not contract date], including approximately 60 days of escrow time.)

**Pages 10 - 14 – "Year to Date Sales" numbers compare January-March 2014 to January-March 2013.** Shorter timeframe (monthly) views do not necessarily reflect the longer timeframe trends. For a more comprehensive view, compare to 2013's Year-End (Dec. 2013) figures available at:  
<http://www.ramaui.com/UserFiles/File/Stats/All-December2013.pdf>

**Residential unit sales** decreased (194 homes sold / -15 units / -7% change YTD), average sold price = \$1,101,522 (+44%YTD), median price = \$585,000 (+13%YTD) and total dollar volume sold = \$213,695,225 (+34%YTD).

**Condo unit sales** increased (309 units / +44 units / +17%YTD), average sold price = \$609,205 (+16%YTD), median price = \$403,750 (+10%YTD). Total Condo dollar volume sold = \$188,244,499 (+35% YTD).

**Land – NOTE: Land Lot sales are such a small sampling that statistics in this property class are not necessarily reliable indicators.** Land lot sales increased (41 lots / -5 units / -11% YTD), average sold price = \$698,726 (-3%), median price = \$500,000 (-7%), Total dollar volume = \$28,647,749 (-14% YTD).

**Total sales for immediate past 12 months: Residential = 967 (with 16.9% being REO or Short Sale), Condo = 1,383 (9.3% REO or SS), Land = 214 (7.9% REO or SS).**

**NOTE: 45% of these Sales in the last 12 months have been CASH transactions.**

**As of April 4, 1014 - Active/Pending-Continue to Show/Contingent status inventory:**

	April '14	Mar.	Feb.	Jan.'14	Dec.'13	Nov.	Oct.	Sept.	Aug.	July	June	May	April '13
<b>Homes</b>	696	685	686	659	641	618	600	582	610	591	603	623	653
<b>Condos</b>	899	912	882	847	826	773	744	756	785	788	805	860	934
<b>Land</b>	404	413	402	396	400	405	398	399	387	397	398	405	408

**Current Absorption Rate** base on this month's Active/Pending-Continue to Show/Contingent status inventory divided by March Sales: Residential = 10 months, Condo = 7 months, Land = 25.3 months of inventory.

For Absorption Rate enthusiasts who calculate only pure "Active," (not any pending/contingent) divided by March Sales: Residential 576 "Active"/ 69 Sold = 8.3 months. Condo 745 / 127 Sold = 5.9 mos. Land 366 / 16 Sold = 22.9 months of inventory.

---

**IN A NUT SHELL..... Sales Unit numbers seesaw, Inventory growing due to rising Prices .....**

**Monthly and Year-to-Date prices are rising in Residential and Condo markets. Increased showings and sales, multiple offers on “well priced” listings, hesitant buyers become onlookers..... Window of opportunity is quickly closing for first-time homebuyers (see below).**

Well priced properties are attracting multiple offers making for a quick sale. **Inventories in Residential and Condo classes are increasing** somewhat as Sale Prices increase. REO (Foreclosures) and Short Sales are dwindling, with any “hidden inventory” (or overhang) backlog slowly trickling onto the market. Mortgage Interest Rates are inching up slightly which may help motivate would-be Buyers to go ahead and buy IF they can qualify. **Savvy Investors are buying with Cash, giving them a strong negotiating position, no financing/appraisal hassles and a quick closing.** While general U.S. economic news looks cautiously hopeful, current World and US events will have ripple effects on cost of living, consumer confidence, Financial and Real Estate Markets. **Rising Sales prices cause some “Owners” to become “Sellers,” putting their homes on the market.**

**FOR SELLERS: Sharpen your pencil, talk to your CPA and your Realtor® to explore the hidden benefits or consequences. Make no assumptions that will sting later.**

**To be successful,** Sellers need to beat competing properties with better property condition, **REALISTIC pricing**, good marketing, and flexible, creative terms (Seller Second Loan, Agreement of Sale, Lease-with-option-to-buy, and Sale-with-lease-back to seller). Days on Market figures show that properties priced right will sell in a reasonable timeframe, often with multiple offers. “Priced Right” is still the determining factor.

**BEST Deals are selling, while significantly over-priced listings remain un-sold.**

**Pro-Active Sellers** are getting their properties **appraised, inspected and surveyed** in advance to encourage realistic offers from knowledgeable Buyers. This can prevent unanticipated escrow fallout or Buyers whittling your price down during the transaction when previously unknown facts come to light.

**FOR BUYERS: Low interest rates** prevail; however have started to nudge up. Buyers should get **Pre-Approved** so they can shop in confidence (fewer last minute disappointments due to non-funding loans). "Short-sales" and foreclosures are still in the marketplace, yet they can be less of a bargain than they seem, requiring more hurdles to leap and more time (often 4-6-12 months) to close, if at all. Be prepared, but BE REALISTIC. Lenders are much more stringent on requirements now for loan approval, compared to 2004-2008.

**First-Time Home Buyers – Many programs are available.....** Attend a First-Time Home Buyers workshop, get familiar with the process, get qualified/approved, do your homework to get your own home. Many current owners **never thought they would be able to own** until they attended a workshop, discovered they could own a home, and are glad they did.

**The low point in the market has passed, so check it out carefully NOW, don't delay. The opportunity is fading quickly. If you can't buy now, start saving your down payment for the next market cycle.**

Disclaimer: Zooming in on the figures of a specific geographic area or property type may lead to different conclusions that looking at the overall view.

Maui's market place is much smaller than Oahu's, and a few high or low sales have a greater effect on the statistical numbers without necessarily indicating a big market swing one way or another.

If you have any questions regarding hard numbers, call Terry at 808-270-4602.

Mahalo,  
Terry Tolman  
RAM Chief Staff Executive
